TECHNICAL PROJECTS

UEMKASolve <i>Project Manager & Ideator</i> <i>PHP, Laravel, Generative VLM API</i>	2026
- Directed a 5-person cross-functional team (FE, BE, UI/UX, QA) to deploy a VLM-integrated digital ledger, driving a 12.82% operational efficiency increase for 15 MSME clients. [Website] - Secured stakeholder funding, journal publication, and formal Intellectual Property Rights by managing field usability testing that achieved an 89.17% task success rate. [IPR]	
LogiCheck <i>Project Manager & Ideator</i> <i>Python, NLP, Cognitive Computing</i>	2025
- Conceptualized and directed a 6-person cross-functional team (Product, Design, Engineering) to deploy an AI-driven cognitive training platform designed to combat student cognitive offloading. [Website] - Secured an International GOLD Medal at ISIF 2025 and academic sponsorship for formal Intellectual Property Rights by orchestrating product strategy and delivering a winning technical proposal. [IPR] [Certificate]	

WORK EXPERIENCE

Junior Project Manager PT. EIT Developer Indonesia	Jan 2026 - Present <i>Purwokerto, Indonesia</i>
- Analyzed Agile methodologies and cross-functional team dynamics by shadowing a Senior Project Manager through the active development lifecycle of 2 client software projects. - Evaluated enterprise Jira and Trello workflow configurations, observing how 30+ development milestones and technical requirements were translated into actionable sprint deliverables.	
Full Stack Web Developer Intern PT. Solusi247	Apr 2022 - Sep 2022 <i>Yogyakarta, Indonesia</i>
- Hardened system security protocols by engineering a JWT-powered single-page application with automated password-expiry controls. - Deployed a scalable MySQL database and RESTful API infrastructure, centralizing data management for internal employees.	

ORGANIZATIONAL EXPERIENCE

Hospitality Coordinator The INDEX International Exchange	Jun 2024 - Present
Directed logistics and stakeholder management for a 7-day annual international exchange, scaling the operational team from 3 to 8 members to support increasing VIP delegations across multiple partner universities.	
Vice President Satria Muda Community	Dec 2023 - Oct 2025
Directed operations for a 52-member academic incubator, managing a cross-functional QA review pipeline that successfully vetted and advanced 47 grant proposals into a consolidated national pool.
